1. The Board of Directors recognises that there are a number of activities which will only take place in its Academies if parental contributions are available but no child should be excluded from any activity because of the liability or unwillingness of their parents to pay such a contribution.
2. It is the intention of NET that its Academies may charge the full cost of visits which take place wholly or mainly outside their academy hours, but which are not provided as part of the syllabus for a public examination and not required in order to fulfil statutory duties relating to the National Curriculum or for religious studies. The cost could include travel, insurance, admission charges, meals and, if desired, a sum of money to enable some pupils to go on the visit without payment, or to cover teachers' travel costs, where a separate contract is issued.
3. It is the intention of NET for its Academies to invite voluntary contributions toward the cost of visits which take place wholly or mainly during its Academies hours and which may, or may not, be provided as part of the syllabus for a prescribed public examination and may, or may not, be required in order to fulfil statutory duties relating to the National Curriculum or to religious studies. The cost could include travel, insurance, admission charges and, if desired, a sum of money to enable some pupils to go on the visit without payment or to cover teachers' travel costs.
4. In accordance with Sections 449-462 of the Education Act 1996, it is the intention of NET to allow for its Academies to charge the full cost of board and lodging as long as the visit is taking place wholly or mainly during Academy hours, or if out of Academy hours, provided as part of the syllabus for a prescribed public examination or required in order to fulfil statutory duties relating to the National Curriculum or for religious studies. Parents who can prove they are in receipt of the following benefits will be exempt from paying the cost of board and lodging:

 - The guarantee element of State Pension credit; or
 - An income related employment and support allowance that was introduced on 27 October 2008,

6. The costs of transport, insurance, admission charges, etc incurred during residential trips may not, however, be charged, although voluntary contributions may, of course, be requested and could become a necessary prerequisite for the visit taking place.
7. Individual tuition in the playing of a musical instrument provided by external agencies and peripatetic teachers will be charged except for those families which receive:

 - Currently in care (entitled to 100% subsidy)
 - One or more parents are currently serving in the British armed forces (entitled to 100% subsidy)
 - Parent or child is in receipt of Disability Living Allowance (entitled to subsidy of £2.50 per lesson)
8. Results of prescribed examinations, where no further preparation has been provided by NET's Academies, will be charged.
9. Entry to examinations, which are not approved in regulations issued by the Secretary of State, will be charged.
10. Academies within NET may invite voluntary contributions towards the cost of ingredients, materials and equipment where parents have expressed the wish in advance to have the finished product.
11. Academies within NET may make charges for breakages and damage to property.
12. Sums payable by parents for wasted examination fees in NET academies, for optional extras to which they have agreed, or for board and lodging, are recoverable as civil debts.
